

**BILL SEXTON JOINS TRIMONT REAL ESTATE ADVISORS  
AS SENIOR MANAGING DIRECTOR, EMEA**

**TRIMONT™**

**LONDON – September 14, 2018** – Trimont Real Estate Advisors today announces the appointment of Bill Sexton to the newly created position of Senior Managing Director, EMEA.

Sexton co-founded London-based Mount Street Loan Solutions, where he served as Managing Partner, Chief Financial Officer and Chief Operating Officer since the firm's inception in 2013. In this position, he led Mount Street's overall formation and growth and, in particular, its commercial real estate loan servicing operations with particular responsibility for CMBS special servicing, NPL underwriting, servicing and workouts.

Previously, he served as co-founder and Managing Partner for GPT Halverton LTD, a pan-European real estate fund and asset management business. Sexton also held leadership positions at Citigroup Property Investors, FPD Savills Commercial Limited and DTZ Debenham Tie Leung, where he served as Director of International Investment.

"Trimont is committed to aggressive growth in Europe and the Middle East through unparalleled service to our clients. Bill brings to Trimont not only a deep understanding and proven track record of what it takes to provide this growth and unparalleled service to our clients, but will help us drive next-generation solutions for globally integrated loan servicing, asset management and due diligence. He also really understands the unique challenges of doing business across multiple jurisdictions," said Brian Ward, Global Chief Executive Officer, Trimont Real Estate Advisors.

As Senior Managing Director, EMEA, Sexton is the lead contact for our clients, prospects, rating agencies and regulators, and will oversee all of Trimont's loan servicing, asset management and due diligence businesses throughout the EMEA theater, including its offices in London and Amsterdam. Bill will serve in a global leadership role for Trimont as a member of both the firm's Operating Committee and Global Advisory Council.
